

**ZONE 2/22**

**4G telephony**

**High-performance battery for long work shifts**

**Amplified loudspeaker**

**IS360.2**

The handy mobile phone is designed for the classic main functions of telephony and messaging (SMS). The IS360.2 is equipped with a proprietary operating system without Play Store. Customized applications can be installed by i.safe MOBILE. The simple operation via the 3" (7.62 cm) touchscreen and the convenient shape of the IS360.2 allow safe handling even in rough working environments. Thanks to the powerful battery, it is ideally suited for long working shifts. The amplified loudspeaker guarantees good audio quality even in noisy work environments and thus the best communication between interlocutors.
